

The Quarterly Newsletter for the ladies of Fulshaw WI. June 2010

Hello Ladies, and welcome to the June Newsletter. It hardly seems possible that we're now into the summer months and eagerly and, perhaps somewhat optimistically, looking forward to a hot and balmy summer. Holidays just around the corner, the smell of sausages burning on the BBQ and a gentle aroma of Tesco's finest suntan lotion. Maybe you've been enjoying the football..or maybe not? Whatever your plans for the next few months all of us here at Fulshaw WI wish you the most relaxing of summers.

On **Sunday 27<sup>th</sup> June** we shall be serving refreshments at the **Alderley Edge Village Fete**. Some members have already volunteered to either bake, help or both. However, we really need some more help. **PLEASE consider offering your help** – for however long you can manage on the day or with your renowned baking skills. We don't want to have to beg but we will..... please, we beseech you..... pretty please?

Ladies, have you heard of well dressing? It's a celebration dating back to the 1820's when villages showed their thanks for the wells which supported their community. And you have been invited to one!! The Gee Cross WI have invited our members to come along and see them decorating their well on **Sunday July 11<sup>th</sup> at 2pm**. If you are interested please speak to Nina asap as she has the invite and will let you know how to RSVP. It sounds fascinating and if you do go please come back and tell us all about it.

Congratulations to Penny Bowker who has just become a Granny again to a beautiful little girl called Olivia!

Don't forget to get your copy of **fulshaw fancies!** The perfect present to yourself or a friend. Full of fabulous recipes from your fellow WI members and all tried and tasted!! **£5 each or 2 for £9.**

Have you looked at our new website yet? Please take a moment to click onto [www.fulshawwi.org.uk](http://www.fulshawwi.org.uk) and see what's going on. We are currently updating the site which is an ongoing thing but we would love to have your feedback. Let us know what you'd like to see on the site and we'll endeavour to get it on. Also, our site is the place where you can follow the links to the CFWI and the National WI sites. We hope to make the website our first point to let you know what's going on, where you can read the newsletter, look at future speakers and contact the committee.

Last month we all enjoyed the Pampered Chef evening and many of you purchased something. How did your recipe making go? Please share your success with fellow members and tell us all about it! A big thank you to the girls for their talk and the raffle prizes.

Also, we'd like to say thanks again to Simon Dunn for the Easter Egg. It's great to have the support from local companies. Let's show our support for him by eating more of his chocolate!! YEAH!!!

Don't forget our **Wine Evening on 7<sup>th</sup> July at Fina** in Macclesfield! See you there.

Tonight's talk, from locally renowned photographer **Richard Weston**, will explain the secrets behind digital photographs. As we all seem to be embracing the digital age it will be very useful to have someone in the "know" teach show us the "how".

Next month will be all about **Botox!!** We've all read in the papers and magazines about the celebrities who have embraced the needle instead on the scalpel but what's it all about...really? We'll find out on **July 19<sup>th</sup>**.

There will be no meeting in August as we'll all be on our holidays – hurray... but we look forward to seeing you back on **September 20<sup>th</sup>** with a much anticipated talk from a Pantomime Dame... oh yes we are!!

Have you had a look at the **Moodle** website yet? You can find the link on our website but maybe there is another course you'd like to do? The WI might be able to help. We have a small bursary fund to help assist you and if you'd like to be considered please let us know the details asap and we will discuss it at our next meeting. But, if you're the lucky one you **MUST** tell us all about it afterwards! We'd love to hear your stories.

Want to add something in the newsletter? Let Hilly know and your wish is her command..... well, almost!
