

Hi everyone, welcome to our first Fulshaw Newsletter.

We want to keep you all up to date with what's going on in the Fulshaw WI community and so we aim to publish this every quarter.

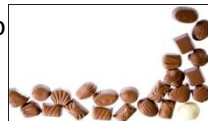

We will let you know of future events, news and anything else we think you'll find interesting or useful. If you would like to let us know of things you think other members would like to hear about then please contact either Nicky Storer or Hilary Kerr to arrange for it to go into the next newsletter.

## Future Talks.

We have an entertaining and varied list of speakers coming to visit Fulshaw in the coming months. Our guest for February 15<sup>th</sup> is Peter Tipton who is coming to talk to us about "Genealogy". We anticipate a intriguing and fascinating evening .

We are already salivating for our March event on the 15th. We shall spend the evening with Sue Roberts who will be "Tasting Chocolate" with us. Make sure you eat lightly that day and save your indulgences for what we hope to be an unforgettable and fun meeting.

We will keep you informed of upcoming speakers so you can put the dates in your diaries.

## Ladies! Are you going to offer to do baking or help at one of the future Fulshaw WI outside events?

We would like to say thank you to those who help us by giving you a free ticket which will be entered into a luxury raffle. Each time you give, either your time or offer to bake, you will be entitled to a ticket. The more tickets you gain the better your chance of winning! Our next planned dates are for the National Garden Scheme w/e 15<sup>th</sup> & 16<sup>th</sup> May where we are looking for helpers & bakers and repeating our success at the Alderley Edge Fete on Sunday 27<sup>th</sup> June. Please contact any committee member for further information or to offer help and/or baking. These events are great fun so please come along.

**Don't forget to make the most of your membership.** Have you looked at your Wi magazine or explored the official WI website? There are fascinating articles, useful information and, of course, access to the fantastic Denman College. They offer course from photography to technology, from crafts to cookery – and some of these courses are ones your whole family can join in with. And if you do go on any of these courses be sure to come and tell us all about it!!

## Volunteers needed for the Cheshire Show!

**Fancy helping at the Cheshire Show & getting a free ticket to say thanks?** The WI would like fellow members to help in the Refreshment Area or help as Exhibition Stewards in the official WI Marquee. The show is on 22/23 June and you would be required to work for one 3hr shift in the Refreshment Tent or one 4hr shift as Steward.

If you would like to help please ask Nicky Storer or Nina Spilsbury for further

details. Closing date is end of March.

Clarins are having another Beauty Party at Hoopers in Wilmslow on Wednesday 24<sup>th</sup> February .

Many of you attended their last evening and a good time was enjoyed by all. Tickets cost £10 but that can be refunded against purchases made that night. The event starts at 6.15 for 6.30pm. If you are interested please speak to any of the team at the Clarins counter in Hoopers.

We'd like to say a huge thank you to Michelle, Justine, Sally and Janine for the beautiful Valentine's hamper which was donated for last month's raffle. It was a wonderful gift and our winner, Liz, was delighted with it. Thank you ladies!

Celebrating a birthday or special anniversary? Let us know as we would like to congratulate you right here!!

**Look out for our brilliant Fulshaw Cookery Book. We aim to have it published very soon. Filled with recipes with something for everyone!**
