### **Membership Costs**

I enclose a cheque payable to Fulshaw Women's Institute for the annual membership fee of £31.50. The renewal date for membership is January 1st each calendar year. Membership is not available pro rata.

Members should support the activities of Fulshaw WI but it is realised that not all members will be able to attend all activities and events. It is against the principles of the WI for individual members to use the organisation for the promotion of a commercial interest without the approval of the committee.
